

Ah

Hahaha.

Hello,
viewers.

I'm The Visage,
here on behalf of
The Sword Interval's
creator, Ben Fleuter

You see,
Mr. Fleuter is...
ahaha... rather
indisposed

Let's see here...
something called
a "comic con"
yet visits...

Ah, his
brother is having
a wedding!
How lovely!

If I had a heart,
I'd give my heartfelt
congratulations to Sam
Fleuter and Beverly
Johnson!

Perhaps
someone else's
heart will do?

Ah, but
at any rate,
Mr. Fleuter thought
it best that he take
a week off to
recuperate.

In the meantime,
did you know Ms. Barros
and Mr. Shimizu have made
a guest appearance in
Apocalyptic Horseplay?

Hah... well...

That's about
all for now

I'LL BE SEEING YOU ALL
NEXT WEEK!!!
